

Nagoya University presents a new pre-doctoral program
Ph.D. Professional:
Gateway to Success in Frontier Asia

Tab Nilanithi's Building, Faculty of Science
at Chulalongkorn University
@1:30PM on June 12th, 2013

Nagoya University offers a pioneering new program based on an interdisciplinary framework that brings graduate students from *science* and *humanities* together and is designed to foster young “professionals” to become a leading workforce to support the expansion of business opportunities in Asia.

This recruitment event is intended for those who wish to advance to graduate school in Fall 2014 and to pursue a doctoral degree in his/her respective field.
